Re: *United States v. 50 Riverside Boulevard*, et al.,  
Civil Action No. 18-9293

Dear Judge Wettre:

The United States writes to request an extension of time to file a response to claimant Paul Parmar's motion to dismiss. The government's response is currently due on April 20, 2020. The government respectfully requests that its time to file a second amended complaint be extended for a period of 21 days to May 11, 2020. Claimant's counsel has consented to the government's proposed 21-day extension.

The United States represents that:

1. There have been no prior extensions of the United States' time to file a response;
2. The original deadline imposed by the Court has not previously been extended or adjourned;
3. The United States' time to file a response has not yet expired; and
4. With this extension the United States' response will be due on May 11, 2020.

Thank you for your consideration of this request.

Respectfully yours,

CRAIG CARPENITO  
United States Attorney
